Hi Raghu and Sury,

Brian—Many thanks for your thorough review and constructive comments.

Please review Brian's comments and set up a meeting between Brian, Raghu, and Sury to finalize the draft by the end of this week.

Thanks,

Bob

Bob,

Attached are my comments for the genotoxicity section, use them as you see appropriate.

I read for overall rationale and whether the text told a convincing story. I did not review or edit the tables.

Hi Brian,

Per Bob's instruction I am attaching the GeneTox chapter. I had downloaded this portion from the L drive to insert references (in progress). Please let me know if you have questions about references that are not yet listed in the bibliography.

Best, Raghu
